DATE	ACTION	COMMENTS AND CITATIONS
July 29, 2024 Monday (99 days out)	Last day to deliver to the presiding election judges and alternate presiding judges notice of appointment THIS WILL BE DONE ON OCTOBER 19 	The authority responsible for distributing the supplies for the election for which the judge is appointed shall prepare and deliver the notice not later than the 20 th day after the date the appointment is made. TEX. ELEC. CODE § 32.009(a), (b). The “authority responsible for distributing the supplies for the election” is the secretary of the governing body (i.e., the Secretary of the EAA Board of Directors). TEX. ELEC. CODE § 51.003(4). However, because the EAA contracts for election services, the “authority responsible for distributing the supplies for the election” is each county with whom the EAA contracts for its election services. Therefore, for all practical purposes it is not the EAA that gives this notice. It should be noted that EAA practice is to delegate this duty to the county election administrators and combine this notice and delegation with the notice to election judge under Section 4.007. <i>See</i> TEX. ELEC. CODE § 32.009(e). The last day to send the Section 4.007 notice is Oct. 21, 2024. If the Section 32.009 notice of appointment is consolidated with the Section 4.007 notice to election judge, then the later date is used.
July 29, 2024 Monday (99 days out)	Begin preparation of notices of election (except Bexar County)	Not specified by the Texas Election Code, but is performed by EAA practice. Early preparation of the notice of election is encouraged in light of duty to deliver to presiding election judge (4.007) and county clerk and voter registrar (4.008(a)), publish in the newspaper (4.003(a)(1)(A)), and post at the offices of the EAA (4.003(b)). [Note: Bexar County has instituted a practice of preparing a “consolidated” notice of election for each of the participating political subdivisions. The requirements for the notice of election were amended in 2019 to require that the notice of election include the location of each polling place. TEX. ELEC. CODE § 4.008(a).]
Aug. 16, 2024 Friday (81 days out)	Last day on which death of candidate causes omission of candidate’s name from ballot	Name of deceased candidate omitted from the ballot if death occurs on or before the deadline for filing an application for a place on the ballot. TEX. ELEC. CODE § 145.094(a)(1); and <i>see also</i> 145.096(a)(1) and 145.098.
Aug. 19, 2024 Monday (78 days out)	If applicable, send notice of deceased candidate to the appropriate county election officials.	Not specified in the Election Code. <i>See</i> TEX. ELEC. CODE § 145.002(a).

WATER CODE § 49.101. Section 146.054 does not provide for a "first day" to file for write in candidacy. Because of the inapplicability of Subchapter B of Chapter 146, the "first day" to file provision in Section 146.025(a) does not apply. TEX. WATER CODE § 49.101. [<i>Note:</i> It should be noted that Sections 144.006(b) and 146.025(a), Texas Elections Code are not applicable to the EAA for the purpose of the deadline to file a declaration of write-in candidacy due to the operation of Section 1.08(a) of the EAA Act, and Section 49.101, Texas Water Code (providing that elections for water districts are generally conducted in accordance with the Election Code except that write-in candidacies are governed by Subchapter C, Chapter 146, Election Code).]
