Board of Directors  
Edwards Aquifer Authority  
900 E. Quincy Street  
San Antonio, TX 78215

Dear Members of the Board,

I respectfully submit my resignation from the Edwards Aquifer Authority Board of Directors as the representative for District 8, effective immediately.

I have recently been appointed Comal County Tax Assessor-Collector, and the responsibilities of that office require my full attention. In fairness to the Authority and the constituents of District 8, it is appropriate that I step aside so that a successor may be appointed to continue this important work without interruption.

Thank you for the opportunity to serve, for the professionalism of the staff, and for the collaborative spirit of my fellow board members. I remain committed to supporting responsible water management in Comal County and across the region in my new capacity.

Respectfully,  
**Stuart Hansmann**  
District 8 Representative (resigning)
