MEDINA COUNTY, TEXAS

38th JUDICIAL DISTRICT

FINAL JUDGMENT

This cause came on for jury trial on the 16th day of February, 2016. Plaintiffs Glenn and JoLynn Bragg (“Plaintiffs” or the “Braggs”) and Defendants Edwards Aquifer Authority and Roland Ruiz in his official capacity as General Manager of the Edwards Aquifer Authority (“Defendants”) appeared in person and by and through their respective representatives and attorneys of record and announced ready for trial.

A jury of twelve men and women was duly selected, impaneled, and sworn, and thereafter, heard the evidence and arguments of counsel and then retired to consider their verdict. In response to written questions, definitions, and explanatory instructions submitted to them in the Charge of the Court, at the conclusion of all the evidence, the jury, on February 22, 2016, returned their answers and verdict, which verdict was duly received and accepted by the Court, without objection by counsel, and filed of record in this cause.

Thereafter, Plaintiffs filed their Motion for Judgment requesting the Court to enter judgment on the jury’s verdict, and Defendants also filed their Motion to Enter Judgment. The Court, having considered the post-verdict motions of the parties, the pleadings, the evidence, and the jury’s verdict, and having made such additional findings as are authorized by law, is of the

opinion that judgment should be entered on the jury's verdict with respect to Plaintiffs' claims against Defendants. The Court is also of the opinion that judgment should be entered on the jury's verdict with respect to Defendants' claims against Plaintiffs that Defendants should take nothing on their claims.

In addition, the Court, having considered the pleadings and the evidence, is further of the opinion that Plaintiffs Glenn and JoLynn Bragg's Motion for Attorneys' Fees and Costs as Sanctions should be denied.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED that Plaintiffs Glenn and JoLynn Bragg have and recover from Defendants Edwards Aquifer Authority and Roland Ruiz, in his official capacity as General Manager of the Edwards Aquifer Authority, jointly and severally, the amount of \$2,551,049.60 as just compensation for takings pursuant to Article I, Section 17 of the Texas Constitution.

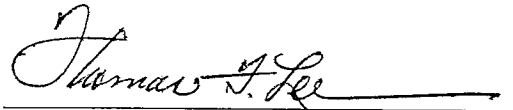

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that Plaintiffs Glenn and JoLynn Bragg have and recover from Defendants Edwards Aquifer Authority and Roland Ruiz, in his official capacity as General Manager of the Edwards Aquifer Authority, jointly and severally, prejudgment interest in the amount of \$1,972,784.17, which prejudgment interest has been calculated at the rate of 5%, compounded daily, from the date of the taking of each property.

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that Defendants take nothing of or from Plaintiffs Glenn and JoLynn Bragg on Defendants' claims in this cause.

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that the amounts awarded in this Final Judgment shall bear interest at the rate of 5% per annum from the date of this Judgment until paid.

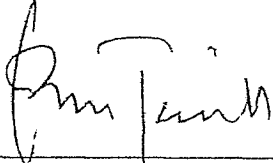

IT IS FURTHER ORDERED, ADJUDGED AND DECREED that costs of Court are adjudged and taxed against Defendants Edwards Aquifer Authority and Roland Ruiz, in his official capacity as General Manager of the Edwards Aquifer Authority, jointly and severally. All writs and processes for the enforcement and collection of this judgment or the costs of Court may issue as necessary. All relief requested in this cause and not expressly granted in this Final Judgment is denied. This judgment finally disposes of all parties and all claims and is appealable.

SIGNED this 17th day of May, 2016.
