

SECTION 8. Section 1.34(b), Chapter 626, Acts of the 73rd Legislature, Regular Session, 1993, as amended, are amended to read as follows:

(a) Water withdrawn from the aquifer must be used within the boundaries of:

(1) the authority; or

(2) the geographic area subject to a Certificate of Convenience and Necessity ("CCN") that extends beyond the boundaries of the authority, provided that the majority of the geographic area of the CCN lies within the boundaries of the authority.
