

Permits, Permit Reductions and Pumping History  
TOTAL AUTHORIZED AND PUMPED (2008 – 2015)

Exceeding Authorized Withdrawals  
Over-Pumping by Entity and Amount (2008 – 2015)

## Exceeding Authorized Withdrawals Over-Pumping by Individual Entity and Amount (2008 – 2015)

**Shows the amount of groundwater over-pumped (acre-feet) by the individual entities.**

Note: Many of the large over-pumping occurrences were due to entities failing to file transfer applications with the EAA and were settled administratively.
