

EAA Legislative Priorities for the 85th Regular Session of the Texas Legislature

1. Monitor any proposed legislation directed at groundwater district operations and take appropriate action to ensure that the outcome of such legislation does not impede the EAA's ability to manage the Edwards Aquifer and implement current programs as presently authorized in the Act.
2. Take appropriate actions to continue to educate state leaders about the uniqueness of EAA programs and objectives and address any concerns that may be raised
3. Take measures as may be necessary that ensure the integrity of the EAA Act.

Long-Term Legislative Priorities

Seek alternative means to supplement EAA resources.
