Dear Mr. Kellogg:

The Edwards Aquifer Authority ("EAA") desires to exercise its right under Contract No. 12-611-AM ("Contract"), to renew and extend the contract term for an additional one-year period. Please regard this letter as the fourth and final formal renewal of the originally dated December 12, 2012, between the EAA and TestAmerica Laboratories, Inc for analytical laboratory services.

The Contract is renewed and extended under the same terms and conditions originally set forth in the original Contract, and as previously amended. The total annual amount under the Contract as now renewed and extended, is not to exceed \$210,000.

Please sign below to reflect your approval and acceptance of this renewal and extension of the Contract and return a signed original of this letter to the EAA.

Please contact the EAA immediately if you have any questions about this Contract renewal and extension.

Sincerely,

Roland Ruiz  
General Manager
