Re: Contract Renewal/Extension No. 3 for Continued Development and Maintenance of Two EAA
Managed Websites

Dear Mrs. Wickley:

The Edwards Aquifer Authority ("EAA") desires to exercise its right under Contract No. 13-680-PPEA ("Contract"), to renew and extend the contract term for an additional one-year period. Please regard this letter as the third and final formal renewal of the Contract originally dated February 1, 2014, between the EAA and WICKLEY, LLC for continued development and maintenance of two (2) EAA managed websites.

The term of the original Contract, which was from February 1, 2014, through December 31, 2014, and subsequently renewed through the years 2015 and 2016, is hereby renewed and extended for an additional final year pursuant to the provisions of amended paragraph 1.2 of the Contract. Pursuant to this contract extension letter, the new Contract expiration date shall be December 31, 2017. The Contract is renewed and extended under the same terms and conditions as set forth in the original Contract, and as previously amended. The total annual amount under the Contract, as now renewed and extended, is not to exceed \$143,800.

Please sign below to reflect your approval and acceptance of this renewal and extension of the Contract and return a signed original of this letter to the EAA.

Please contact the EAA immediately if you have any questions about this Contract renewal and extension.

Sincerely,

Roland Ruiz
General Manager
