

EXHIBIT A  
SCOPE OF WORK  
TO  
BETWEEN THE EDWARDS AQUIFER AUTHORITY  
AND  
GRANTEE

SCOPE OF WORK:

GRANTEE (the "Grantee") will install FULL DESCRIPTION OF WATER CONSERVATION PROJECT. The Grantee will notify the EAA, in writing, once installation of the equipment begins.

The Grantee will notify the EAA of installation completion and shall report to the EAA the itemization of grant money spent, including proof of system installation. The Grantee will also complete and submit an *EAA Data Collecting and Reporting Worksheet* documenting water use and crop data by December 31<sup>st</sup> of calendar years 2017-2022.
