Receive report from EAA staff on potential development of a model to further evaluate and prioritize conservation easements for properties located in the Edwards Aquifer contributing and recharge zones.

RECOMMENDED MOTION:

None. This item is for informational purposes only.

SUMMARY:

The purpose of this item is for the Board to receive a summary of efforts to develop a model to quantitatively evaluate the efficacy of the Edwards Aquifer Protection Program. Results of a feasibility study for the approach, completed in January 2021, will also be presented. Mr. Paul Bertetti, Director - Aquifer Science will present.

FISCAL IMPACT:

None.
