Receive report from Chad Furl, EAHCP Chief Science Officer, on the proposed schedule and planned activities regarding springflow projections for the Permit Renewal effort.

RECOMMENDED MOTION:

None. This item is for informational purposes only.

SUMMARY:

The purpose of this agenda item is for the Science Committee to receive a report from Chad Furl, EAHCP Chief Science Officer, regarding the proposed schedule and planned activities regarding springflow projections for the permit renewal effort. Future springflow projections are being generated in support of the application for the next iteration of the EAHCP Incidental Take Permit. The Permit Renewal process is being led by the consultant group ICF.
