Receive a report on the EAA's new three dimensional geologic modeling software.

RECOMMENDED MOTION:

None. This item is for information purposes only.

SUMMARY:

The purpose of this agenda item is for the board to receive a presentation from Jim Reed, Director of Research and Development for RockWare, Inc., who will provide an overview of Rockworks 3-D geologic modeling software. The EAA recently acquired this software and staff are in the early stages of implementing it. Mr. Reed will demonstrate some of the advanced capabilities and applications of the software and relate how the software is being applied to current and future EAA research.

STRATEGIC PLAN REFERENCE:

This agenda item supports the EAA's policy direction as set forth in the EAA 2016-20 Strategic Plan: Goal E. Conduct Research that Enhances Understanding and Effective Management of the Aquifer.
