

## Legislation Text

---

**File #:** REP 13-940, **Version:** 2

---

**Receive report from EAA staff on current aquifer conditions.**

STAFF RECOMMENDED MOTION:

None. This item is for informational purposes only.

SUMMARY:

The purpose of this agenda item is for the Research & Technology Committee to receive a briefing from EAA staff on current regional aquifer conditions and trends. EAA staff will present hydrologic data, including rainfall amounts and distribution, National Weather Service drought maps, and well and spring hydrographs.

Attached to this summary is the Hydrologic Data Brief as presented to the board at the January 9, 2018 meeting.

STRATEGIC PLAN REFERENCE:

This agenda item does not relate to a specific goal or action step within the Strategic Plan, but supports the general EAA mission.

FISCAL IMPACT:

None.
