

Legislation Text

File #: REP 13-989, **Version:** 1

Receive report regarding the South Texas Weather Modification Association's Precipitation Enhancement Program.

RECOMMENDED MOTION:

None. This item is for informational purposes only.

SUMMARY:

The purpose of this technical briefing is for the board to receive a presentation from Mr. Jonathan Jennings regarding the efforts of the South Texas Weather Modification Association's Precipitation Enhancement Program. The EAA participates in efforts associated with the STWMA with the intent to enhance the water supply for the EAA region. Mr. Jennings is a meteorologist for the STWMA and works out of the West Texas Weather Modification Association office in San Angelo. Attached to this summary is a report from the STWMA for the board's reference.

M/WBE PARTICIPATION:

This agenda item does not involve the procurement of goods or services by the EAA and, therefore, this section is not applicable.

STRATEGIC PLAN REFERENCE:

This agenda item does not relate to a specific goal within the Strategic Plan, but supports the general EAA mission.

FISCAL IMPACT:

None.
