

Legislation Text

File #: REP 13-1199, **Version:** 1

Receive report from EAA staff on the status of EAA Recharge Dam maintenance activities.

STAFF RECOMMENDED MOTION:

None. This item is for informational purposes only.

SUMMARY:

The purpose of this agenda item is for the Aquifer Management Planning Committee to receive a report from EAA staff on the current status of maintenance and improvement activities ongoing at the four EAA recharge dam sites. Three sites, San Geronimo, Middle Verde, and Parkers were negatively affected by the stormwater resulting from the large amounts of rain received in September and October 2018. Staff is currently in the process of modifying the Seco Creek headgate design in an effort to save costs associated with the modifications.

STRATEGIC PLAN REFERENCE:

This agenda item supports the EAA's policy direction as set forth in the EAA 2016-20 Strategic Plan: Goal D. Prevent the Pollution of the Aquifer.

FISCAL IMPACT:

None.
