File #: REP 13-1262, **Version:** 1

Receive report from Scott Storment, EAHCP Program Manager, regarding comments provided by the Stakeholder Committee related to the U.S. Fish and Wildlife Service's proposed amendments to the Recovery Plan.

RECOMMENDED MOTION:

None. This item is for informational purposes only.

SUMMARY:

The purpose of this item is for the Implementing Committee to receive a report from Scott Storment, EAHCP Program Manager, regarding comments provided by the Stakeholder Committee related to the U.S Fish and Wildlife's proposed amendments to the Recovery Plan. Those amendments focus on the following species: Texas wild-rice (*Zizania texana*), fountain darter (*Etheostoma fonticola*), and Texas blind salamander (*Typhlomolge rathbuni*). The proposed amendments have no effect on EAHCP activities.
